

# From Dissertation to Publication (From a Mansion to an Efficiency)

Arturo Z. Vasquez  
MDSA Conference  
July 29, 2005

# Discussion Topics

- Myths
  - Efficiencies can be like mansions
  - Defended dissertations are ready for publication
  - Chapters can be squeezed into a manuscript sections
- Processes
  - Common ground/materials
  - Different construction

# Different Construction

- Rewrite, not copy
- Writing virtues:
  - Synthesis
  - Efficiency
  - Clarity
- Derivations (how many manuscripts?) have to be planned
- Content and format have to be positioned to the targeted journal

# Different Reconstruction

- Reviewers' comments have to be followed
- Rejected manuscripts have to be improved
- Additional resources should be used:
  - Partnership
  - Grants
  - Assistantships
  - Outsourcing
